

US Supply Net

Capability statement

Woman-owned | WOSB certification in progress

Product sourcing and resale between manufacturers, distributors, and federal government buyers.

Core competencies

Product sourcing and resale across multiple categories, including spare parts, janitorial supplies, sanitary paper, and other solicitation-defined products. These examples do not limit the opportunities we consider.

Business approach

A woman-owned business pursuing product supply opportunities we can fulfill. Each opportunity is evaluated against its sourcing, delivery, and contract requirements.
